Other countries

Quoted on request

Work agreed separately

Work outside ordinary filing and registration, subject to separate agreement:

- Preparing and submitting evidence of use, declarations of use or explanatory materials
- Conversion applications
- Amendments based on examiner acceptance after submitting a declaration of use
- Deadline extensions that incur official fees
- Designating goods or services outside the trademark office's accepted standard list
- Designating more goods than the basic allowance
- Examiner visits or interviews, including video meetings
- Issuing paper trademark registration certificates
- Divisional applications
- Expedited applications
- Applications for special non-word marks
- Changes of trademark ownership
- Oppositions, reconsideration, appeals, trademark cancellation or invalidation
- Trademark rights
- Provisional attachment of trademark rights, provisional enforcement, litigation or compulsory execution
- Investigations into trademark ownership, actual use or registrability
- Other work outside the ordinary scope as determined by the service provider

Separate expenses

Official fees, VAT, stamp duty, registration taxes, international document delivery, wire transfer and remittance charges, notarisation, certification, translation agency fees and other such expenses are payable separately by the client. Some expenses may vary.
